**PROPOSED  
AFFORDABLE HOUSING AND LABOR STANDARDS RLEATED TO CITY  
PLANNING INITIATIVE ORDINANCE  
NOVEMBER 8, 2016**

**FINANCIAL IMPACT STATEMENT  
By Miguel A. Santana  
City Administrative Officer**

This initiative would require certain residential development projects of ten or more units seeking General Plan amendments or certain zoning changes to provide affordable housing and meet training, local hiring, and prevailing wage requirements. Furthermore, this initiative would limit the City's ability to deny or amend projects that satisfy all of the requirements.

This initiative is not expected to result in any additional cost to the City or to taxpayers.
