Meeting Purpose/Project Background: Opportunity to learn, provide feedback, and work in partnership to create an interim housing site on the Northwest corner of Pico Blvd and Midvale Ave that will provide immediate relief by bringing indoors people experiencing homelessness in the immediate neighborhood.

- Community Engagement Update
 - We are at the beginning of the process and eager for community feedback
- Background/Context
 - Service Planning Area (SPA) 5 has the lowest number of beds for single adults
 - CD 5 currently has zero interim housing beds for single adults
 - In the last decade, homelessness in Los Angeles has more than doubled, with more than 46,000 Angelenos lacking a stable and secure place to sleep on a given night

- Over 70% of those individuals and families are unsheltered, meaning they are sleeping in tents, parks, on sidewalks and in cars, because of the city's ongoing lack of both interim and permanent housing
- While many neighbors experiencing homelessness are connected to some services, and a vast majority are ready for housing, we do not have the units to bring folks indoors that are ready to re-establish stable lives
- Project Goal
 - The goal of the project is to act as a link between street homelessness and permanent housing, with a team of mental health and substance use disorder specialists, permanent housing navigation support, and employment assistance to aid people in re-establishing stable lives
- Project Summary
 - Participants will be provided with ensuite bathrooms, storage and laundry facilities, and three meals per day
 - Facility will feature 24/7 security, additional public safety resources, and a 500 ft radius that prohibiting encampments (sensitive use site)
 - Operations will be led by LA Family Housing, a national leader in helping people transition out of homelessness and poverty.
 - In its dual role as a homeless service provider and affordable housing developer, LA Family Housing delivers well-managed housing enriched with a suite of supportive services that enable people to transition out of homelessness and regain personal stability long-term.
- Project Status
 - Have conceptual drawings that currently project 34 beds, but purely conceptual at this point
 - Project will be constructed by LifeArk, the winner of the LA County Homeless Initiative Innovation Challenge and will feature prefabricated structures that are both quickly built and very durable

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: September 29, 2023

CAO File No. 0220-05151-0486
Council File No.
Related Council File No. 19-0914
Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: **COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE**

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

2. REPROGRAM \$1,770,257 in unspent funds from previous fiscal years of State Homeless Housing, Assistance, and Prevention Program (HHAP) from the Los Angeles Housing Department to HHAP Fund No. 62Y/10, Account No. 10S650, FC-1: A Bridge Home Capital and Operating Gap from the following accounts:
 - a. \$246,363 from HHAP Fund No. 62Y/43, Account No. 43S846, Shower of Hope
 - b. \$22,630 from HHAP Fund No. 62Y/43, Account No. 43S853, Bridge Housing-Beacon Street;
 - c. \$300,760 from HHAP Fund No. 62Y/43, Account No. 43S988, Laundry Truck LA;
 - d. \$27 from HHAP Fund No. 62Y/43, Account No. 43V812, Services St. Andrews Place;
 - e. \$37,555 from HHAP Fund No. 62Y/43, Account No. 43V831, TPC Hygiene;
 - f. \$3,015 from HHAP Fund No. 62Y/43, Account No. 43V835, Homeless Outreach Integrated Care Sys-CD8;
 - g. \$434,399 from HHAP Fund No. 62Y/43, Account No. 43V839, Sepulveda Blvd Motel Initiative;
 - h. \$33,865 from HHAP Fund No. 62Y/43, Account No. 43V857, LA Mission Hygiene;

7. APPROVE \$4,597,353 for construction costs relative to the interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds;
8. APPROPRIATE \$4,597,353 to a new CTIEP Fund No. 100/54, in a new account entitled "CD 5 Midvale IH" from the following accounts:
 - a. \$1,200,000 from General City Purposes Fund No. 100/56, Account No. 000903, Council Community Projects;
 - b. \$3,397,353 from HHAP Fund No. 62Y/10, Account No. 10S650, FC-1: A Bridge Home Capital and Operating Gap;
9. AUTHORIZE the General Services Department (GSD) to negotiate and enter into an agreement with the Los Angeles Department of Transportation (LADOT) for the LADOT owned lot #707 located at 2377 Midvale Avenue in Council District 5;
10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;
11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and
12. AUTHORIZE the CAO to:
 - a. Prepare Controller instructions or make necessary technical adjustments, including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

Table 1: HHAP Detail Breakdown

| Program | Amount |
|---|-----------|
| Shower of Hope | \$246,363 |
| Bridge Housing-Beacon Street (A Bridge Home Operations) | \$22,630 |
| Laundry Truck LA | \$300,760 |
| Services St. Andrews Place (A Bridge Home Operations) | \$27 |

| Uncommitted HHAP-1 (Funding Category 7- Administrative Costs) | \$266,087 |
| Uncommitted HHAP-1 (Accrued Interest) | \$865,986.03 |
| Total | \$3,397,353 |

Table 2: Source of Funds

| Funding Source | Amount |
|--|--------------------|
| Homeless Housing, Assistance, and Prevention Round 1 | \$3,397,353 |
| General Fund | \$1,200,000 |
| Total | \$4,597,353 |

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City’s General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Hi all –

Just got a call from Fernando in CD5 who let me know they are cutting down on the programming portion of Thursday's event as much as possible. The CM and Mayor will just briefly introduce themselves after a welcome to the group and some level setting around being respectful of the space (since it's a temple). Dr. AK may also briefly introduce herself and welcome the guests if she chooses. Some press have RSVPed but there will be no time given for questions from the public. This new programming is in response to the articles this weekend and their desire to keep the event focused on the IH site.

I've asked Jorge to stop working on talking points for Dr. AK for now. Let me know if you'd like him to proceed with very brief introduction and welcoming remarks. I'm also going to reply to the whole thread and confirm the CR attendee and let them know we'll pass on any info they share to our IH rep, who is TBD.

Thanks,

Sally

I had thought this was SPA 4 but seeing it's SPA 5, and Aeia is the SPA 5 CRC. The initial idea was that Amanda and I would staff the table, but that's also the evening of Rep. Hi, Sally – reviewing this ROS for CD 5's community event next week on their new Interim Housing project, I see that in addition to VAK speaking they're requesting some folks from LAHSA to staff a table and be ready to discuss with community members; in addition to figuring out who will be best to be at this table, we'll need to ensure they are prepped to address the points below.

@Nathaniel VerGow I'm cc'ing you for awareness and in case you have thoughts in who might be good from the program side to staff this (maybe Jaclyn can tag-team along with someone from GA?):

Parking: TBD

Set up: TBD

Meeting Purpose/Project Background: Opportunity to learn, provide feedback, and work in partnership to create an interim housing site on the Northwest corner of Pico Blvd and Midvale Ave that will provide immediate relief by bringing indoors people experiencing homelessness in the immediate neighborhood.

- Community Engagement Update
- We are at the beginning of the process and eager for community feedback
- Background/Context
- Service Planning Area (SPA) 5 has the lowest number of beds for single adults
- CD 5 currently has zero interim housing beds for single adults
- In the last decade, homelessness in Los Angeles has more than doubled, with more than 46,000 Angelenos lacking a stable and secure place to sleep on a given night
- Over 70% of those individuals and families are unsheltered, meaning they are sleeping in tents, parks, on sidewalks and in cars, because of the city's ongoing lack of both interim and permanent housing
- While many neighbors experiencing homelessness are connected to some services, and a vast majority are ready for housing, we do not have the units to bring folks indoors that are ready to re-establish stable lives
- Project Goal
- The goal of the project is to act as a link between street homelessness and permanent housing, with a team of mental health and substance use disorder specialists, permanent housing navigation support, and employment assistance to aid people in re-establishing stable lives
- Project Summary
- Participants will be provided with ensuite bathrooms, storage and laundry facilities, and three meals per day
- Facility will feature 24/7 security, additional public safety resources, and a 500 ft radius that prohibiting encampments (sensitive use site)
- Operations will be led by LA Family Housing, a national leader in helping people transition out of homelessness and poverty.
- In its dual role as a homeless service provider and affordable housing developer, LA Family Housing delivers well-managed housing enriched with a suite of supportive services that enable people to transition out of homelessness and regain personal stability long-term.
- Project Status
- Have conceptual drawings that currently project 34 beds, but purely conceptual at this point
- Project will be constructed by LifeArk, the winner of the LA County Homeless Initiative Innovation Challenge and will feature prefabricated structures that are both quickly built and very durable

Thanks, Paul. Looping in Amanda and Trevor.

I had thought this was SPA 4 but seeing it's SPA 5, and Aeia is the SPA 5 CRC. The initial idea was that Amanda and I would staff the table, but that's also the evening of Rep. Hi, Sally – reviewing this ROS for CD 5's community event next week on their new Interim Housing project, I see that in addition to VAK speaking they're requesting some folks from LAHSA to staff a table and be ready to discuss with community members; in addition to figuring out who will be best to be at this table, we'll need to ensure they are prepped to address the points below.

@Nathaniel VerGow I'm cc'ing you for awareness and in case you have thoughts in who might be good from the program side to staff this (maybe Jaclyn can tag-team along with someone from GA?):

Thanks, Paul. Looping in Amanda and Trevor.

I had thought this was SPA 4 but seeing it's SPA 5, and Aeia is the SPA 5 CRC. The initial idea was that Amanda and I would staff the table, but that's also the evening of Rep. Torres' meet-and-greet which I believe you wanted me to attend. Sounds like Amanda/Aeia will staff the table with someone from the program side, which makes sense.

Hi, Sally – reviewing this ROS for CD 5's community event next week on their new Interim Housing project, I see that in addition to VAK speaking they're requesting some folks from LAHSA to staff a table and be ready to discuss with community members; in addition to figuring out who will be best to be at this table, we'll need to ensure they are prepped to address the points below.

@Nathaniel VerGow I'm cc'ing you for awareness and in case you have thoughts in who might be good from the program side to staff this (maybe Jaclyn can tag-team along with someone from GA?):

Table 2: What is Interim Housing/Overview of Continuum of Care and Housing Resources

Staff: LAHSA - TBD

- * Need to meet folks where they're at by building solutions in all communities
- * Efforts/commitment toward addressing homelessness
- * Community specific numbers for SPA 5 area around Pico/Midvale
- * What is interim housing?
- * What purpose does interim housing serve?
- * Why is interim housing needed in SPA 5?

Hi all –

Just got a call from Fernando in CD5 who let me know they are cutting down on the programming portion of Thursday's event as much as possible. The CM and Mayor will just briefly introduce themselves after a welcome to the group and some level setting around being respectful of the space (since it's a temple). Dr. AK may also briefly introduce herself and welcome the guests if she chooses. Some press have RSVPed but there will be no time given for questions from the public. This new programming is in response to the articles this weekend and their desire to keep the event focused on the IH site.

I've asked Jorge to stop working on talking points for Dr. AK for now. Let me know if you'd like him to proceed with very brief introduction and welcoming remarks. I'm also going to reply to the whole thread and confirm the CR attendee and let them know we'll pass on any info they share to our IH rep, who is TBD.

Thanks,

Sally

Team LAHSA: Please find herein the run of show for the 8/3 2377 Midvale CD-5 Interim Housing facility. Again, we'd like for Dr. Adams Kellum (whom we have parking reserved for in the temple) to be amongst the 3 major speakers, then a 40 minute open house, in which ideally LAHSA will have a table. The file outlines some topics we'd ideally like to see addressed.

Let us know if you'd like to arrange a call with our team to discuss the program. Thank you all!

Hi Sally,

What is the time that IH representative being asked to arrive? Given the short turnaround, it will have to be me who represents for Department; however, I need to figure out how I will move other meetings to make it possible. Please share the details and I will see what can be done.

Thanks,

Hi team –

We need to know who from IH/programs can staff LAHSA's table tomorrow evening at the IH event for CD5, please. We have Community Relations representation but need someone to speak to the topics they would like covered at the table, below (full info available here: [Midvale Event Information and Run of Show 8/3](#)).

- * Table 2: What is Interim Housing/Overview of Continuum of Care and Housing Resources (LAHSA)
- * Need to meet folks where they're at by building solutions in all communities
- * Efforts/commitment toward addressing homelessness
- * Community specific numbers for SPA 5 area around Pico/Midvale
- * What is interim housing?
- * What purpose does interim housing serve?

CPRA-18-LAHSA-000070

* Why is interim housing needed in SPA 5?

Thank you!

Thanks, Amanda! We will have team members helping to reroute folks to the appropriate person/table for questions specific to the project, so no major preparation outside of overall questions about how the need/role of interim housing, questions about the larger CoC, and any SPA 5 context might be helpful. It may be appropriate to bring SPA 5 data and availability of different housing interventions within the SPA for additional context, but defer to you and your team's expertise.

Meeting Purpose/Project Background: Opportunity to learn, provide feedback, and work in partnership to create an interim housing site on the Northwest corner of Pico Blvd and Midvale Ave that will provide immediate relief by bringing indoors people experiencing homelessness in the immediate neighborhood.

- Community Engagement Update
- We are at the beginning of the process and eager for community feedback
- Background/Context
- Service Planning Area (SPA) 5 has the lowest number of beds for single adults
- CD 5 currently has zero interim housing beds for single adults
- In the last decade, homelessness in Los Angeles has more than doubled, with more than 46,000 Angelenos lacking a stable and secure place to sleep on a given night
- Over 70% of those individuals and families are unsheltered, meaning they are sleeping in tents, parks, on sidewalks and in cars, because of the city's ongoing lack of both interim and permanent housing
- While many neighbors experiencing homelessness are connected to some services, and a vast majority are ready for housing, we do not have the units to bring folks indoors that are ready to re-establish stable lives
- Project Goal
- The goal of the project is to act as a link between street homelessness and permanent housing, with a team of mental health and substance use disorder specialists, permanent housing navigation support, and employment assistance to aid people in re-establishing stable lives
- Project Summary
- Participants will be provided with ensuite bathrooms, storage and laundry facilities, and three meals per day
- Facility will feature 24/7 security, additional public safety resources, and a 500 ft radius that prohibiting encampments (sensitive use site)
- Operations will be led by LA Family Housing, a national leader in helping people transition out of homelessness and poverty.
- In its dual role as a homeless service provider and affordable housing developer, LA Family Housing delivers well-managed housing enriched with a suite of supportive services that enable people to transition out of homelessness and regain personal stability long-term.
- Project Status
- Have conceptual drawings that currently project 34 beds, but purely conceptual at this point
- Project will be constructed by LifeArk, the winner of the LA County Homeless Initiative Innovation Challenge and will feature prefabricated structures that are both quickly built and very durable

Thanks, Paul. Looping in Amanda and Trevor.

I had thought this was SPA 4 but seeing it's SPA 5, and Aeia is the SPA 5 CRC. The initial idea was that Amanda and I would staff the table, but that's also the evening of Rep. Torres' meet-and-greet which I believe you wanted me to attend. Sounds like Amanda/Aeia will staff the table with someone from the program side, which makes sense.

Hi, Sally – reviewing this ROS for CD 5's community event next week on their new Interim Housing project, I see that in addition to VAK speaking they're requesting some folks from LAHSA to staff a table and be ready to discuss with community members; in addition to figuring out who will be best to be at this table, we'll need to ensure they are prepped to address the points below.

@Nathaniel VerGow I'm cc'ing you for awareness and in case you have thoughts in who might be good from the program side to staff this (maybe Jaclyn can tag-team along with someone from GA?):

Hi team –

We need to know who from IH/programs can staff LAHSA's table tomorrow evening at the IH event for CD5, please. We have Community Relations representation but need someone to speak to the topics they would like covered at the table, below (full info available here: [Midvale Event Information and Run of Show 8/3](#)).

- * Table 2: What is Interim Housing/Overview of Continuum of Care and Housing Resources (LAHSA)
- * Need to meet folks where they're at by building solutions in all communities
- * Efforts/commitment toward addressing homelessness
- * Community specific numbers for SPA 5 area around Pico/Midvale
- * What is interim housing?
- * What purpose does interim housing serve?
- * Why is interim housing needed in SPA 5?

Thank you!

Sally

Thanks, Amanda! We will have team members helping to reroute folks to the appropriate person/table for questions specific to the project, so no major preparation outside of overall questions about how the need/role of interim housing, questions about the larger CoC, and any SPA 5 context might be helpful. It may be appropriate to bring SPA 5 data and availability of different housing interventions within the SPA for additional context, but defer to you and your team's expertise.

All the best,

Fernando

Team LAHSA: Please find herein the run of show for the 8/3 2377 Midvale CD-5 Interim Housing facility. Again, we'd like for Dr. Adams Kellum (whom we have parking reserved for in the temple) to be amongst the 3 major speakers, then a 40 minute open house, in which ideally LAHSA will have a table. The file outlines some topics we'd ideally like to see addressed.

Let us know if you'd like to arrange a call with our team to discuss the program. Thank you all!

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT CPRA-18 LAHSA-000215

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. - to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Hi Kristina,

I believe Ed reached out to you regarding this topic. I've touched base with Camille on this and hope LAHSA can provide us an update on the reason for the underspend by COB today.

Thank you!

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

CPRA-18-LAHS-000231
OFFICE OF THE CITY ADMINISTRATIVE OFFICER

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;
11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and
12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

Hi Kristina,
I believe Ed reached out to you regarding this topic. I've touched base with Camille on this and hope LAHSA can provide us an update on the reason for the underspend by COB today.

Thank you!

Good morning Janine and Camille,
We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

CPRA-18-LAHS-000240
OFFICE OF THE CITY ADMINISTRATIVE OFFICER

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and
12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

Hi Kristina,

I believe Ed reached out to you regarding this topic. I've touched base with Camille on this and hope LAHSA can provide us an update on the reason for the underspend by COB today.

Thank you!

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

REPORT FROM

CPRA-18-LAHS-000249
OFFICE OF THE CITY ADMINISTRATIVE OFFICER

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

Hi Kristina,

I believe Ed reached out to you regarding this topic. I've touched base with Camille on this and hope LAHSA can provide us an update on the reason for the underspend by COB today.

Thank you!

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

REPORT FROM

CPRA-18-LAHS-000258
OFFICE OF THE CITY ADMINISTRATIVE OFFICER

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions. LAHSA-000268

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

GPBA-18-LA-HSA-000276

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions. LAHSA-000276

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

GPBA-18-LA-HSA-000280

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions. LAHSA-000284

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

~~GPBA-18-LA-HSA-000291~~

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Hi Kristina,

I believe Ed reached out to you regarding this topic. I've touched base with Camille on this and hope LAHSA can provide us an update on the reason for the underspend by COB today.

Thank you!

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

CPRA-18-LAHS-000307
OFFICE OF THE CITY ADMINISTRATIVE OFFICER

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

9. AUTHORIZE the General Services Department (GSD) to negotiate and enter into an agreement with the Los Angeles Department of Transportation (LADOT) for the LADOT owned lot #707 located at 2377 Midvale Avenue in Council District 5;
10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;
11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and
12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

GPBA-18-LA-HSA-000325

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning,

Attached is the Status of Interventions list in Excel format.

Additionally, will someone be present in today's Roadmap working group meeting to provide an update for CD outreach teams?

Thank you!

Respectfully,

Annabelle Gonzales

Hi Annabelle,

Is it possible to share an excel version of the status of interventions template? We are hoping to consolidate our process internally before the next report is due to ensure we provide CAO with accurate information.

Best,

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

9. AUTHORIZE the General Services Department (GSD) to negotiate and enter into an agreement with the Los Angeles Department of Transportation (LADOT) for the LADOT owned lot #707 located at 2377 Midvale Avenue in Council District 5;

10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;

11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

a. \$1,200,000 from General City Purposes Fund No. 100/56, Account No. 000903, Council Community Projects;

b. \$3,397,353 from HHAP Fund No. 62Y/10, Account No. 10S650, FC-1: A Bridge Home Capital and Operating Gap;

9. AUTHORIZE the General Services Department (GSD) to negotiate and enter into an agreement with the Los Angeles Department of Transportation (LADOT) for the LADOT owned lot #707 located at 2377 Midvale Avenue in Council District 5;

10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;

11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

23. AUTHORIZE the CAO to:

a. Prepare Controller instructions or make any necessary technical adjustments, to implement the intent of these transactions, and authorize the Controller to implement these instructions.

b. Prepare any additional Controller instructions to reimburse City Departments for accrued labor, material or permit costs related to projects in the subject CAO report, dated May 20, 2021 and Amended Recommendations dated May 27, 202, attached to the Council file, to implement the intent of these transactions, and authorize the Controller to implement these instructions.

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

9. AUTHORIZE the General Services Department (GSD) to negotiate and enter into an agreement with the Los Angeles Department of Transportation (LADOT) for the LADOT owned lot #707 located at 2377 Midvale Avenue in Council District 5;

10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;

11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

9. AUTHORIZE the General Services Department (GSD) to negotiate and enter into an agreement with the Los Angeles Department of Transportation (LADOT) for the LADOT owned lot #707 located at 2377 Midvale Avenue in Council District 5;

10. AUTHORIZE the GSD to negotiate and execute a sole source Commodities Contract for one year, with LifeArk SPC for the acquisition of prefabricated modular units for an interim housing facility to be located at the LADOT owned lot #707 at 2377 Midvale Avenue in Council District 5;

11. INSTRUCT the General Manager of the Los Angeles Housing Department or their designee to amend the HHAP contract with LAHSA (C-135650) to reflect the reprogramming of allocations shown in Recommendation 2; and

12. AUTHORIZE the CAO to: a. Prepare Controller instructions or make necessary technical adjustments, including

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. Table 2 below provides the details of the source of funds.

FISCAL IMPACT STATEMENT

The recommendations in this report will be funded with the City's General Fund previously approved for homelessness interventions and the Homeless Housing, Assistance, and Prevention Round 1 funds. There is no additional impact to the General Fund as a result of the recommendations in this report. Funding for operations of the site will be programmed in a future funding report.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

Good morning Janine and Camille,

We reprogrammed HHAP-1 Funds from FY 2021-22 for the Midvale Interim Housing Site. Two line items we reprogrammed funds from were the CD 7 Family Navigation Services and the CD 3 Tarzana Treatment Center. We've received questions on the reason there are unspent funds for those programs. May I ask if you can provide background information on the unspent funds prior to H&H Committee tomorrow? I've attached the Midvale Report (see chart on pg 4) and the HHAP-1 Report (Rec 8) that programmed funds for your reference.

Thank you!

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund at this time as a result of the recommendations in the subject CAO report, May 20, 2021. Sufficient funding is available within the Homeless Housing, Assistance, and Prevention Program to support the recommendations in the CAO report. In Fiscal Year 2022-23, the cost for operating the homeless interventions will be estimated at \$61,784,831. If the City does not receive another State homeless grant, funding for these costs will be considered through the City's annual budget process, which is subject to Mayor and Council approval.

Financial Policies Statement:

The CAO states that the recommendations in the CAO report comply with the City's Financial Policies.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on May 27, 2021, the Homelessness and Poverty Committee considered a CAO report relative to the third report regarding Homeless Housing, Assistance, and Prevention (HHAP) Program reprogramming and funding recommendations. During the discussion, a representative from the CAO presented amendments to the report's recommendations, attached to the Council file. After providing an opportunity for public comment, the Committee recommended adopting the CAO report as amended. This matter is now submitted to the Council for consideration.

Respectfully submitted,

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: CAO File No. 0220-05151-0486 Council File No. Related Council File No. 19-0914 Council District: 5

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Council District 5 Midvale

Subject: COUNCIL DISTRICT 5 INTERIM HOUSING - 2377 MIDVALE AVENUE

SUMMARY

As part of the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City has committed to provide 12,915 new interim or permanent housing units by 2027. This report recommends an interim housing site to provide assistance to people experiencing homelessness.

First, this Report reprograms unspent Homeless Housing, Assistance, and Prevention Round 1 (HHAP-1) funds from previous fiscal years and allocates uncommitted HHAP-1 funds and HHAP-1 interest.

Second, this Report recommends the approval of the design and construction of an interim housing site located at 2377 Midvale Avenue in Council District 5 for 33 beds. Funding recommended for this site includes General Fund and HHAP-1 funds.

Third, this Report authorizes the Department of General Services to negotiate an agreement with the Department of Transportation and enter into a commodities contract to acquire modular housing units for the interim housing site.

RECOMMENDATIONS

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the Interim Housing Project at 2377 Midvale Avenue, which allows for funding allocation, construction, lease or similar agreement, and operation of an interim housing facility to provide temporary emergency shelter to people experiencing homelessness, is statutorily exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code, Section 21080(b)(4), as a specific action necessary to prevent or mitigate an emergency, and as reflected in State CEQA Guidelines, Section 15269(c); and Public Resources Code, Section 21080.27 (AB 1197), applicable to City of Los Angeles emergency homeless shelters.

to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions;

BACKGROUND

Under the June 14, 2022, Alliance Lawsuit Settlement Agreement, the City is required to develop 12,915 new interim or permanent housing units or other interventions by June 14, 2027, in order to accommodate 60 percent of unsheltered persons experiencing homelessness (PEH) within the City based on LAHSA's 2022 Point-in-Time Count who do not have a serious mental illness. As of June 30, 2023, 1,748 new interventions are open and occupiable and 6,206 interventions are in progress.

DISCUSSION

New Interim Housing in Council District 5

This Report introduces a City owned parking lot as consideration for a new interim housing intervention in Council District 5. The surface parking lot located at 2377 Midvale Avenue, also

CAO File No. PAGE 0220-05151-0486 4

known as 10907 Pico Blvd., is owned by the Los Angeles Department of Transportation (LADOT). The lot also known as Lot #707 sits at the intersection of Pico Boulevard and Midvale Avenue and is approximately 16,800 square feet, with a 40 percent utilization rate. This project will provide onsite laundry, housing units with ensuite bathrooms, storage, and services to people experiencing homelessness. This report recommends funding that would support construction, as well the authorities for the appropriate groups within the General Services Department (GSD) to enter into agreements with LADOT and the LifeArk SPC, a modular building system company. The proposed layout will provide 33 beds towards the City of Los Angeles Alliance Settlement Agreement.

The Bureau of Engineering (BOE) has conducted a CEQA analysis for these sites, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. A future report will recommend funding for furniture, fixtures, and equipment and operating costs, and the authority for the GSD to negotiate and execute necessary license, lease, and/or sublease agreements for 2377 Midvale Ave.

Funding

Funding for this site includes \$1.2 million of General Fund allocated to Council District 5 under Council Community Projects for homelessness interventions and unspent Homeless Housing, Assistance and Prevention Round 1 (HHAP-1) funds from previous fiscal years from the following programs in Table 1. Expenditure authority for these accounts ended on June 30, 2023. Funding for these programs have been continued using additional rounds of Homeless Housing, Assistance, and Prevention grant funds awarded to the City. Additionally, uncommitted HHAP-1 funds in the amount of \$276,087 and \$865,986 in HHAP-1 accrued interest have been recommended for this project. UHRC Deployment Confirmation Sheet 9.15.23

From
megan.weiss@lacity.org

The Unified Homelessness Response Center (UHRC) is sharing deployment information for the Comprehensive Cleaning and Rapid Engagement (CARE) Program for September 15, 2023.

The CARE Program provides cleaning, public health and outreach services to neighborhoods and Angelenos experiencing homelessness. Attached please find confirmation sheets for the activities of the City's CARE and CARE+ teams, based on priorities set with every Council Office. All locations are subject to change.

CARE Program deployment is coordinated through collaboration between Council offices and the Unified Homelessness Response Center. The UHRC is always striving to improve collaboration and communication. Please contact the UHRC for coordination, support or emergencies related to unsheltered homelessness in the City of Los Angeles.

UHRC Deployment Confirmation Sheet 10.4.23

From
megan.weiss@lacity.org

The Unified Homelessness Response Center (UHRC) is sharing deployment information for the Comprehensive Cleaning and Rapid Engagement (CARE) Program for October 4, 2023.

The CARE Program provides cleaning, public health and outreach services to neighborhoods and Angelenos experiencing homelessness. Attached please find confirmation sheets for the activities of the City's CARE and CARE+ teams, based on priorities set with every Council Office. All locations are subject to change.

CARE Program deployment is coordinated through collaboration between Council offices and the Unified Homelessness Response Center. The UHRC is always striving to improve collaboration and communication. Please contact the UHRC for coordination, support or emergencies related to unsheltered homelessness in the City of Los Angeles.

Thanks. Also, I sent an email to our dept. about an IH site that we'll be getting City HHAP funding for, pending Mayoral approval. Does Midvale/ Lot 707 seem familiar to you in any other reports or discussions with CAO, by any chance? If not, no worries.
